
February 2019 Pre-K

	Tue	Wed	Thu	Fri	Sat
	Please help your child count out 100 small food items such as Cheerios, raisins, goldfish, pretzels, chocolate chips, Chex cereal, etc. We will combine all the food items into a bowl and have a mix to share for a snack! Please place the food items in a small zip lock bag labeled with their name on it. The children will also have ice cream with 100 sprinkles for a special treat. The day's celebrations will include a parade through the school, activities and lots of counting fun!
