Holiday closure: Wednesday, July 4th **through Friday, July 6th**

Great Lakes Child Development Center will be closed Wednesday July 4th through Friday, July 6th for the Independence Day holiday.

We will reopen at 7 a.m. on Monday, July 9th

Warmer days = cooler weather

Please check your children's classroom cubbies for weather-appropriate clothing. Take home winter clothing and please replace them with summer items. In case of "accidents" please pack a change of socks and shoes along with fresh underwear and clothing.

Children need to have athletic shoes with socks every day. Flip-flops, Crocs and sandals are not safe footwear for playing outside. If your child wears open footwear to school, please pack closed-toe shoes and socks for playing outside.

If you want your child to wear sunscreen, make sure to fill out the Sunscreen Permission form and turn it into the office with your child's sunscreen. The form is available on our website under "Forms" or pick one up from the office! Please put the form and the sunscreen into a Ziploc bag.

Please apply the first coat of sunscreen before dropping off your child in the morning. Teachers only apply sunscreen in the afternoon.

**PLEASE, Send
Water bottles**

Please bring in a water bottle with your child's name on it for your child to take outside with them during outdoor play time. Either a reusable water bottle or a new throw away bottle will be fine. It is important to either send a fresh bottle daily, or to take the used one home to clean it every evening in order to keep it bacteria free. — Thank You in advance.

*Pre-K kids can have
fun
all summer!*

Congratulations to all of the Pre-Kindergarten students who graduated on May 18. We are so proud of you!!

Students who have graduated from Pre-K are welcome to stay with us through the summer. Our summer program is much more play-based than the academic year, but we do still practice our "school skills." So your child can stay prepared for Kindergarten.
