Hearing, vision tests

Hearing and vision tests for Kindergarteners are required by the State of Michigan. If your child will be 5 years old by Sept. 1, 2019, he or she needs hearing and vision tests before starting Kindergarten next fall.

Free hearing and vision tests will take place at GLCDC. Technicians from the Macomb County Health Department will be conducting all tests.

Exact dates and times are yet to be determined. Please watch the bulletin boards for more information.

Picture Day

GLCDC will host **Teddy Bear Portraits on Tuesday, Nov. 23 and Wednesday, Nov. 24.**

You'll be able to order your child's photos the same day the pictures are taken. Also, each child will get a composite photo of his or her entire class.

Please look for more info to come home soon.

Halloween party, Oct. 31

GLCDC is having its annual Halloween party on Wednesday, Oct. 31 at 9:30 a.m.

We will have sign-up sheets for snacks, treats, juice, and paper goods. Each class will have its own treats and goodies. Also, please send a \$1 donation per child for pizza lunch.

Children can wear their costumes. Weather permitting, we will parade outside on the playground beginning at 9:30 am. Please send a change of clothes for children who stay all day.

After the parade, the preschool and pre-K classes will trick or treat around the playground (or indoors, in case of rain). We need parents to help pass out treats during trick or treating.

Look for sign-up sheets by each room to volunteer for trick or treating. Volunteers are asked to bring at least one bag of treats to distribute.

If your child doesn't attend on Tuesday, you are welcome to bring him or her to school as long as you stay with your child during the party.

G.L.C.D.C. WILL CLOSE AT 5:00pm ON HALLOWEEN

EYES OF LOVE

During the month of October, lets all take time out and count how many times a day we look into our children's eyes and smile.

Let them see your love!

Fight against germs with hand-washing

Frequent hand-washing is the best way to stay healthy.

We are asking everyone who enters the building to drop off or pick up a child to **please wash your hands or use hand sanitizer before entering classrooms.** There is a large bottle of sanitizer in the entry for everyone's use. However, there is a warning on the label to supervise children under age 6.

To avoid spreading germs, frequent hand-washing is the best way to stay healthy. We are spending extra time in the restrooms with our older students, discussing and practicing good hand-washing skills.

October Birthdays

Morgan P.	10- 3-17	Parker C.	10-28-15
Mila D.	10- 9-15	Ella K.	10-31-17
Guiseppe E.	10- 9-15	Miss Emily	10-28
Walter P.	10-17-15		

Please pack extra socks for babies

Now that chilly autumn weather is upon us, please make sure your infant is wearing socks to school every day. Also, please leave a few extra pairs, especially for babies who pull off their socks.

Older children should be wearing socks with their shoes, too, to keep their feet warm during outdoor play.
