SNOW GEAR NEEDED FOR OUTDOOR PLAY!

It's that time of year ... The snow will be flying soon, if it isn't already. We want to make sure our students are protected from the elements while still enjoying recess outdoors.

All students should bring in "snow gear" and keep it on their hooks, in case of cold and snowy weather. We ask you to pack winter boots, snow pants, a hat, and mittens, and any other items you feel are necessary (such as a scarf). Of course, the children will probably wear their warm winter coats to and from school.

Snow gear can be packed in a tote bag and left on your child's hook. That way, you can easily take it home for the weekend and bring it back on your child's first day of the week.
