## WISHING YOU PEACE & JOY IN 2019!

Thank you for bringing your children to the Great Lakes Child Development Center. It's our families who make this such a wonderful center. We are blessed to have each of your children in our care.

The entire staff extends warmest thanks and gratitude for the abundance of home-made treats, tasty goodies, presents and gift cards. Your generosity is overwhelming.

We look forward to a new year of great memories, good fun and lots of learning!

### *Check the Local News for SNOW DAY Information*

It is typically not the policy of Great Lakes Child Development Center to close due to sub-freezing temperatures.

The center will close only if road conditions are deemed unsafe for driving due to heavy snowfall and icy road conditions.

Please check local TV and radio news stations for school closings. We will be listed as

**GLCDC-Warren.**

### OLD ENVELOPES

If you or the company you work for have had a change of address and/or logo, and have envelopes that you no longer have a use for, please keep us in mind. We will put them to good use! Thank you in advance!!!

### *Please Follow Payment Policy*

Please note that our fees and tuition policy is as follows:

“All tuition must be paid on Mondays (or the first day of the week your child attends). There are no exceptions. If payment is not made, a notice will be given and a late payment fee of \$10 will be applied to your account. ... Weekly tuition must be paid whether or not the child attends the Center.”

For more details, please refer to page 2 of your Parent Handbook which is available online at [www.greatlakescdc.com](http://www.greatlakescdc.com)

**As of Jan. 9, the office will  
start taking requests  
for 2018 year-end  
statements.**

# Pack WARM outerwear for Outdoor play; SHOES for indoors!

Please send appropriate outdoor wear for your older child every day. Older students (not the babies) need winter coats, snow pants, boots, hats and mittens. Please label **everything** to avoid mix-ups.

You can pack your child's outer wear in a tote bag and leave it on a coat hook for the week. This makes it easy to take everything home for the weekend.

**If your child wears boots to school, please make sure he or she has shoes to wear indoors.**

## Make your dreams come true!

### PLEASE HELP US KEEP OUR BABIES SAFE!

It's understandable that older siblings want to help with younger siblings in the infant rooms. However, we have a policy that older children need to stay outside of the room. This policy is to keep all of the babies safe from being accidentally stepped on, or knocked over, or in some other way injured by an older child.

At drop off and pick up, we ask that you keep older children outside of the infant rooms. Perhaps your older child can be dropped off first, and picked up after your baby has been picked up from an infant room.

THANK YOU!
