Holiday Closure

Mon, May 27

GLCDC will be closed for
Memorial Day.

We reopen at 7 a.m.
on Tuesday, May 28

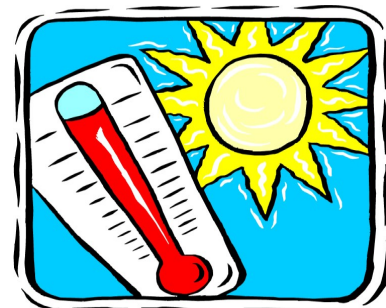

Pre-K Students are Ready to Graduate!

Our **Pre-Kindergarten** classes graduate from GDCDC on Thursday, May 16th. Graduation begins at 9:30 am City of Madison Heights Civic Center Park on 13 Mile Road. Parents and other family members are welcome to attend. Please RSVP with your child's teacher.

Keep in mind that GLCDC is open year-round. Once the new school year starts, remember we are available to take your child any days they have off school. Give us at least a week's notice any time you need to bring your child back to GLCDC.

Congratulations

Get Ready For Warmer Weather

Warm weather is making a come-back. Here are a few notes to get us ready for the summer:

- Please check your child's supply of extra clothes; take home heavy sweatshirts and bring in light-weight clothes.
- Children should wear closed-toe shoes to school. Flip-flops, girls' dressy sandals, Crocs, and open-toed sandals should be avoided. If your child must wear a Croc shoe, or a sandal-style shoe, please have your child wear socks to protect against rocks and twigs during outdoor play.
- If your child must have sunscreen, **please apply it before dropping off your child**. If a second application of sunscreen is needed before afternoon outdoor play (which starts around 3:30 for the young students and at 4:30 for preschool and Pre-K), you must get a permission slip from the office and return it with your child's sunscreen.

Summer fun for Rams Club kids!

Did you know that Great Lakes Child Development Center offers a summer program for school-age students?

The Rams' Club is for students who have completed Kindergarten, up through 12 years. Many of our current Rams' Club kids are graduates of our GLCDC program. We also have older siblings of current students.

During the months of July and August, the Rams' Club does weekly field trips to such places as the local park, the movies, the Madison Heights nature center, and more.

If you are interested in Rams' Club for your older children, you can get more information from Miss Patty or Miss Rebecca in the office. Students who graduate from Pre-K on May 18 are not considered Rams' Club until next year, when they complete Kindergarten.

HAPPY MOTHER'S DAY

Happy Mother's Day!

Blessings on all mothers, grandmothers, aunts and other beloved ladies in our children's lives.

Enjoy your special day!

Please NO open-toed shoes for safety purposes!
