Super readers earn PIZZA!

The annual Reading Month contest at GLCDC was a HUGE success! As of press time, our students in Preschool and Pre-K had read more than 2,420 books in the month of March. (Look at the official tally board in the entrance hall for exact numbers.)

To recognize and honor all of our super readers, Miss Debbie and Miss Patty will host a pizza party on Tuesday, April 25. In addition, we will have cookies for morning snack to celebrate all of the “cookies” earned by our super readers. And in the afternoon ... ICE CREAM!

Thank you to all of the parents, grandparents, older siblings, and other family members who helped our students reach their reading goals. Please keep reading with your children every night. Reading together creates wonderful childhood memories.

Pre-K graduation is coming up!

Our students in Miss Bennie and Miss Melissa’s classes have been working very hard since September, and they are almost ready for Pre-Kindergarten graduation!

The graduation ceremony will be on Thursday, May 18 beginning at 9:30 am at the **Madison Heights Civic Center Park on 13 Mile** just west of John R.

We are using the small pavilion that’s located just behind the fire station. Please plan to be there, with your child, by 9:15 am.

The students will sing a couple of songs to kick off the ceremony, the teachers will distribute graduation certificates, and we will have refreshments to wrap up the party.

To make sure we have enough treats for everyone, we need a count of total guests per child. Look for a sign-up sheet by each classroom, and write in the number of guests next to your child’s name.

Do you know about Rams' Club?

Keep in mind that Great Lakes Child Development Center is open year-round. Years ago, GLCDC was located inside of St. Dennis School. The school's team mascot was the ram, so we started calling our after-school program "The Rams' Club."

We have continued the tradition of Rams' Club with our summer program for school-age students. Also, we are available to take your child any days they have off school (once Kindergarten starts). Give us at least a week's notice any time you need to bring your child back to GLCDC.

For the remainder of the summer, all graduated Pre-K students will remain in their Pre-K classrooms. Only after they start Kindergarten do they come back as Rams' Club members.

Please talk with Miss Patty or Miss Rebecca to make arrangements for your child to join Rams' Club during the next school year.
