Halloween Party

Friday, October 29th 9:00am-11:00am

Dear Parents,

The children this year will participate in Halloween activities and crafts in their classrooms. We will not be having a parade; however, the children will be Trick or Treating in their classrooms. You are more than welcome to send in store bought bags of single wrapped candy that will be passed out to the children in their trick or treat bags (please no homemade treats). The children should come to the center already dressed in their Halloween costumes along with her Halloween bags labeled with their name. Please bring a change of clothes for after the party and a bag for their costume. Also, please Donate \$1 Per Child for our Pizza Lunch.

Thank You,

GLCDC
