The entire staff extends warmest thanks and gratitude for the tasty goodies, presents and gift cards.

Wishing you and your family a very happy and healthy New Year!

## Reminder:

We ask, if you are spending time with people outside of your inner circle or unvaccinated, you take a week off from attending GLCDC without a fee for the safety of the children and staff.

We have been operating with half of the staff since we came back from shutting down March 2020 and reopening July 2020. To ensure each staff member has at least one week off throughout the year, we will be closing down the week of the 4th of July. Examples are as followed:
