## New Fees for 2022

Our new school year officially starts on Monday, Sept. 12th. All families will have filled out updated fee contracts by that date.

As was announced last month, our daily fee will be increasing by \$2 per day. This rate increase takes effect on Monday, Sept. 12th, and will be reflected in your new fee contract.

Beginning on Sept. 12th you will be charged for every day listed on your child's fee contract. Billing statements will be based on the fee contracts. **If your child does not attend on a scheduled day, you will still be charged for that day.** It will be your responsibility to fill in earned vacation days ahead of a planned absence. If you do not have earned vacation days, you will be charged for a scheduled day even if your child is sick on that day.

Fiscal year runs from September through August.

Please let us know 2 weeks in advance for vacation days. We understand things happen and you may have to give short notice.

Thank You
