Pre-K Students are Ready to Graduate!

Our students in Miss Melissa's classes have been working very hard since September, and they are ready for Pre-Kindergarten Graduation! **The Graduation Ceremony will be on Wednesday May 24th** at 10am here at Great Lakes Child Development. We are using the grassed area behind the children's playground. The students will sing songs to kick off the ceremony, the teachers will distribute graduation certificates, and we will have refreshments to wrap up the party. To make sure we have enough treats for everyone, we need a count of total guests per child. Look for a sign-up sheet in the vestibule, and write in the number of guests next to your child's name.

Congratulations

With the weather changing, please make sure your child has closed toed shoes for outside play. Also, a change of clothes. Ask your child's teacher for their spare clothes to make sure they are weather-appropriate, and the right size for the upcoming season.

Reminder:

Memorial Holiday

Closure

Friday, May 26th and

Monday, May 29th

We reopen at 7:30 a.m.

Reminder:

Fourth of July Holiday

Closure

Monday July 3rd-Friday July 7th

We reopen at 7:30 a.m. on

Monday, July 10th.

Happy Mother's Day on May 14th, 2023!

Wishing you many blessings on Mother's Day. Sit back, relax, and let your family show you how much they love you on this special day

Parent Information

The Macomb Infant Preschool Program (MIPP) is a special education *Early On*® program operated by the Macomb Intermediate School District.

Early On offers early intervention services for infants and toddlers, birth to three years of age, with developmental delay(s) and/or disabilities, and their families.

Research has shown that by addressing delays early on, especially between birth and age 3, children have better outcomes, even into adulthood.

Developmental delays can include eating, dysregulation, negative behaviors, not talking, not playing with toys, not listening.

MIPP services are designed to provide information and guidance that will help families throughout their child's first educational experience.

If you are concerned about your child's development, please contact us at [586-228-3463](tel:586-228-3463) to schedule your child's complimentary evaluation.
