Welcome to the start of the 2023/2024 school year at Great Lakes Child Development Center. We are so excited for the start of the new school year. This year will be filled with educational fun and leaning! Looking forward to a great school year! The first official day of the school year is Monday, Sept. 11th. **Pre-K and Preschool students begin their day at 9 a.m.** A welcome letter, schedule, and supply list will be sent home soon. During the school year, we offer many educational extras such as the Pinnacle Curriculum which includes language arts, math, science, and play based learning. In addition we teach Italian, and German languages, and offer Art and Library class.

Fee Contracts & Rates-2023/2024

New Tuition Rates will start September 11, 2023. The increase will be \$3.00 a day and an increase of \$2.00 a day for the second child. Please see attached price list . This will help with rising food cost and employee raises. New fee contracts will have to be filled out and signed.

You are required to pay for every day listed on your child's Fee Contract. Billing statements will be based on the Fee Contracts. **Even if your child does not attend on a scheduled day, you will be charged for that day.** Unless you let us know you are using a vacation day. Please fill out the blue vacation book that is located in the vestibule.

If you want to bring your child(ren) on a previously unscheduled day, make sure to check to see if we have availability and 1 weeks notice. **Please do not drop off your child if it is not your scheduled day and if you have not made arrangements in advance.** It will be your responsibility to fill in earned vacation days ahead of a planned absence. If you do not have earned vacation days, you will be charged for a scheduled day even if your child is sick on that day.

--Thank you for your continued support of our center. We are happy to have all of you here with us.
