

Great Lakes Child Development Center

Welcome to the Toddler Room

Welcome to the 2023-2024 school year at Great Lakes Child Development Center! I am Miss Courtney. I am so thrilled to teach year child this year. I am currently taking courses online for Early Childhood Development. I started here in early November of 2022, and became the lead teacher of the Toddler Room in June of 2023.

In the Toddler room each day we do carpet time, we go over ABC's, shapes, colors, animals, etc. We also do developmentally-appropriate activities such as music, movement, fine motor skills, gross motor skills, cognitive aesthetics. If you have any questions or concerns, please feel free to call the center @ 586-268-8500.

Thank You,

Miss Courtney
