

# **GREAT LAKES CHILD DEVELOPMENT CENTER**

## **Welcome to Pre-K**

Welcome to the 2023-24 school year at Great Lakes Child Development Center. I am Miss Jaclyn the new Pre-K! I'm very excited to start the new school year with your children and to start this new adventure. I am Miss Patty's daughter, and look forward to getting to know your children.

I have been teaching at Great Lakes Child Development Center off and on for the past 19 years and completing my schooling as well in the process.

Our Pre-K students will be exposed to a variety of learning experiences including languages (Italian and German) and special classes such as art and library. In our Pre-K classroom, we will be enriching students through various subjects including math, language arts, science and social studies. If you have any questions or concerns, feel free to call during the school day (586-268-8500) or leave me a note and I'll call you back.

I look forward to working with you and your child to make this a very memorable year. Enclosed with this letter is a Pre-K daily schedule and a school supply list.

Thank you,

**Miss Jaclyn**
