HAPPY VALENTINE'S DAY!

Valentine's Day is Wednesday February 14th. If you would like your child to bring Valentines for his or her classmates, just put your own child's name on each card. For Pre-K, students should try to write their own names on their cards as well as their friends. A list of friends names will be handed out. It's good practice! The children will also be decorating Valentine Cookies for their morning snack. Such Fun!!

Happy Thoughts = Happy Hearts

Take stock of what you have. Make a list, if you need to. You probably have more going for you than you realized! Family, friends, work, home, food on the table, good health. We all have numerous blessings. Don't look at what you don't have.

Look at what you do have. Appreciate it and be thankful every day.
