

4195 E. 13 Mile Rd., Warren, MI 48092 * (586)268-8500; fax: (586)268-8502

CHILDREN'S book author Dr. Seuss, also known as Theodor S. Geisel, was born on March 2, 1904. This would be a great opportunity to read some of his award winning books to your child!

HOLIDAY CLOSING INFORMATION

Great Lakes Child Development Center will be **closed on Friday, March 29th** for Good Friday.
We reopen at 7:30 a.m. on **Monday, April 1st**. If you are taking your child(ren) out of school, please let us know. Also, remember to mark it on the vacation calendar in the office.

VISION AND HEARING SCREENING

Tuesday March 19th and Wednesday March 20th @ 8:30 A.M. for 3 and 4 year olds.

Note: If your child does not normally attend school on Tuesday or Wednesday, please bring him or her in that morning just to have their vision and hearing screened. However, if you can not attend the screening on this day, you are responsible for scheduling your own vision and hearing test.

Research show that children need to try a new food at least 25 times. So don't be discouraged if your child doesn't like something the first or second or 24th time.

As always, if your child has food allergies or religious beliefs, please provide an alternate snack or lunch as necessary. Just pack a sandwich or entrée for lunch so the teachers can serve your child the vegetables, fruit, and milk.

**Wishing you a pot of gold,
and all the joy your heart can hold.
Happy St. Patrick's Day**
