Pre-K Students are Ready to Graduate!

The Pre-K class has been working hard all school year and are getting ready for graduation! Graduation will take place at 10:00 AM on Thursday, June 5th. Make sure your child(ren) are **here by 9:45 AM** so they can participate. Graduation includes the kids singing songs in Italian.. Graduation certificates will be passed out followed by lite refreshments.

To make sure we have enough refreshments for everyone, there will be a google doc sent out on Bright wheel in mid May asking for the total number of guests per student. On the same Google Doc you will also be asked to indicate if your child(ren) will be at school for the remainder of the day after graduation.

Graduation will take place outside in the grassy area behind the playground; we will need volunteers to help set up and take down the chairs and tent. A separate Google Doc will be posted indicating how many volunteers are needed and for what tasks.

Reminder:

Memorial Holiday
Closure

Friday, May 23rd and
Monday, May 27th
We reopen at 7:30 a.m.
on Tuesday, May 27th

Reminder:

Fourth of July Holiday Closure
Monday June 30th-Friday July 5th
We reopen at 7:30 a.m. on
Monday, July 7th.

Please make sure your child has a water bottle with your child's name on it for inside and outside.

Children will need to have athletic shoes w/socks everyday. Flip-flops, crocs, and sandals are not safe for playing outside.

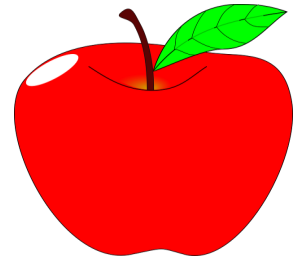

Happy Mother's Day on May 11th, 2025!

Wishing you many blessings on Mother's Day. Sit back, relax, and let your family show you how much they love you on this special day

Parent Information

The Macomb Infant Preschool Program (MIPP) is a special education *Early On*® program operated by the Macomb Intermediate School District.

Early On offers early intervention services for infants and toddlers, birth to three years of age, with developmental delay(s) and/or disabilities, and their families.

Research has shown that by addressing delays early on, especially between birth and age 3, children have better outcomes, even into adulthood.

Developmental delays can include eating, dysregulation, negative behaviors, not talking, not playing with toys, not listening.

MIPP services are designed to provide information and guidance that will help families throughout their child's first educational experience.

If you are concerned about your child's development, please contact us at [586-228-3463](tel:586-228-3463) to schedule your child's complimentary evaluation.
