

Infant May 2026

Spring has sprung and the world is alive with color! The flowers are in bloom, the days are warmer, and the springtime animals are frolicking in the grass. Just as the world is blossoming, so will your infant during the marvelous month of May!

Your child will have lots of activities to participate in this month, providing lots of opportunities for developmentally appropriate play and growth!

We will be having a great time during this month of May!
