Vacation Days, Sick Days and Scheduling

The employee schedule is prepared in advance and is based on the number of children expected in each classroom. Please notify us at least **two weeks in advance** if you are planning a vacation so we can adjust the staff schedule accordingly.

Additionally, please call the center if your child will be staying home due to illness or for any other reason. If your child is out sick, inform us as soon as possible so we can take the proper **precautions**.

Thank you for your cooperation.

Reminder: Please make sure all bottles, cups, and food items are labeled with your child's **first name, last name, and the date**. If a food item does not have a label, please be sure to clearly write the **contents of the item(s)** on it.

This does not apply to items on "Bring Your Own Lunch" day. However, please make sure your child's lunch box is labeled with their **first and last name**.

Sunscreen Reminder

Parents: Please apply the first application of sunscreen to your child before drop-off. Teachers do not apply sunscreen in the morning or at lunchtime.

Teachers will reapply sunscreen in the afternoon if the class goes outside.

Thank you for your cooperation!

Please send your child with a water bottle labeled with their **first and last name** and clearly marked "**water only**." The bottle will be used both indoors and outdoors. We will not be using the drinking fountain except to refill water bottles.

You may send either a reusable water bottle or a new disposable one. It is important to send a clean bottle each day or take the used one home every evening to wash it thoroughly to prevent bacteria buildup.

This applies to students in Early Toddler, Toddler, Early Preschool, Preschool, and Pre-Kindergarten.

Thank you in advance for your cooperation!
