

# **GREAT LAKES CHILD DEVELOPMENT CENTER**

## **PRESCHOOL**

**Welcome to the 2026–2027 School Year at Great Lakes Child Development Center!**

Hello! My name is **Miss Carol**, and I'm very excited to begin a new school year with your children. I have completed my certification in Early Childhood Education and have earned my **CDA (Child Development Associate)** credential. It has been my joy to teach preschool here at GLCDC for the past **17 years**.

In our preschool classroom, students will engage in a wide range of enriching learning experiences. We'll explore core subjects such as **math, language arts, science, and social studies**, along with an introduction to **Italian** as part of our language learning activities.

**Please send in a labeled water bottle (with your child's first and last name) each day.** Water bottles help ensure your child stays hydrated throughout the day, especially during outdoor play and transitions between activities.

If you have any questions or concerns, please don't hesitate to call the center during the school day at **586-268-8500**, or leave me a note and I'll be happy to return your call.

I truly look forward to partnering with you and your child to make this a memorable, fun, and educational year. Enclosed with this letter, you'll find our **preschool daily schedule** and a **school supply list** for the year.

Thank you,  
**Miss Carol**
